The Advanced English classes provide more challenging work with the intent of helping students prepare for college. The work equips students with the skills of organization, time management, research, independent study, close reading, writing, and analysis of literary works.

Summer Reading Assignment

Students entering Advanced English classes must complete the following summer reading before the first day of school. Please be prepared for an assessment within the first 2 weeks of school.

Advanced English II Summer Reading Assignment:

Things Fall Apart by Chinua Achebe

(Electronic versions (Kindle, Nook, etc.) of the books are allowed, but students may not use their phones for the electronic version.)

*On the first day of school,
students need to bring their copy of the novel to class.*
